DETAILED ACTION

Acknowledgment is made of the amendment filed 6/10/02. Claims pending are 1-6, 8-13 and 15-37. Claims 7 and 14 have been cancelled.

Terminal Disclaimer

1. The terminal disclaimer filed on 6/10/02 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of any patent granted on Application S.N. 09/848,237 has been reviewed and is accepted. The terminal disclaimer has been recorded.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. The rejection of Claims 1-3, 8-10, 15-22, 28-34 and 37 under 35 U.S.C. 102(b) as being anticipated by Ohno et al. is maintained for the reasons of the record.

Claim Rejections - 35 USC § 103

4. The rejection of Claims 23-27, 35 and 36 under 35 U.S.C. 103(a) as being unpatentable over Ohno et al. in view of Mellul et al. is maintained for the reasons of the record.

Response to Arguments

5. Applicant's arguments filed 6/10/02 have been fully considered but they are not persuasive.

In response to the Applicant's argument that the Ohno reference "does not describe silicone containing end or side groups as described in the presently claimed invention", it is noted that compounds of formula (3) on p. 3 of Ohno et al. are within the scope of the instant claims. Thus, A1' and/or A2' can be hydroxyl groups or amino groups. See p. 4, lines 1-15.

In response to the Applicant's argument that "Ohno et al. does not describe cosmetic compositions containing silicone", it is noted that Ohno et al. explicitly teach that their silicones can be used "as bases for cosmetics". See p. 13, line 43.

In response to applicant's arguments against the references individually, one cannot show nonobviousness by attacking references individually where the rejections are based on combinations of references. See *In re Keller*, 642 F.2d 413, 208 USPQ 871 (CCPA 1981); *In re Merck & Co.*, 800 F.2d 1091, 231 USPQ 375 (Fed. Cir. 1986).

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
